

Working together with Jesus beside us, to achieve our full potential.

YEAR 4 LEARNING LOG

Date set: Friday 16th September 2016

Date due: Monday 17th October 2016

TOPIC: A Place for Everything

Write

Create a non-chronological report on the local area. Your sub-headings might include the following: local plants, local animals and things to do
OR
Create your very own myth, legend or folktale set in Gnosall

Maths:

Create your very own treasure island map on a co-ordinate grid (using either 1, 2, 3 or 4 quadrants). After doing this, create a set of questions to go with your map for a partner to answer.

If you're finding this a little bit tricky, have a go at printing and completing this activity:

www.nrich.maths.org/1112

Geography:

Plan and design your own island. Whereabouts in the world is it? Can you show it on a map? Where is it in relation to: the Equator/Northern Hemisphere/Southern Hemisphere/the Tropics? What are the climate conditions like? What types of animals live there? What are the human and physical features?

"Must do"

Show evidence of practising the following multiplication tables and inverse division facts:

-
-

Please note: this section is personalised to suit each child's individual requirements.

Art and design:

Choose an aspect of the local area, sketch this and then use your preferred style of media to add colour, e.g. watercolour paints or oil pastels

Music:

Create a rap, song or piece of music about our local area!

Be imaginative!

Create your own task and see where your learning takes you

Every week you must also:

- Read your reading book and words regularly
- Practise the spellings given to you by your teacher
- Talk to your Mum, Dad or Carer about your homework

Parent/Carer comment: Did your child find the work easy/hard? Did they complete it independently or with support? (It is OK if you gave input too!) Did they enjoy the task?
