Week beginning: Monday 6<sup>th</sup> February 2017

For this week’s number four 4, we will be listening to the story of ‘The Gruffalo’, cutting out a Gruffalo and using split pins to connect arms and legs. The children will be encouraged to count how many arms, how many legs and how many altogether.

Additional adult led activities to complement our learning, are as follows:-

**Wednesday** - Forest School - please ensure your child comes to Pre-School **wearing** their **waterproof clothing**. Please also bring in a **CLEARLY NAMED carrier bag** to put their wet/muddy clothes in afterwards and make sure that **ALL clothing is clearly named**.

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

*Have fun with your learning this week!*
