

Primary school PE and sport funding 2016 - 2017

- The 'Sports Premium'

What is it?

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. This funding is being continued until 2020

Sport and PE are an essential part of our children's school life. We are committed to encouraging a healthy, active lifestyle for both children and parents. We do this through:

- running the daily mile - everyone (including staff!), every day
- a wide range of before- and after-school clubs involving, particularly, gymnastics, mini-Olympians, cross-country, football and tag rugby
- encouraging our children to get involved in sporting activities outside their school day - football, rugby and athletics are all popular.

Sports Premium is made up of a flat sum which all schools receive, plus a small amount per child. This year Gnosall St Lawrence CE Primary Academy received **£8975.**

We use our Sports Premium monies to:

- employ specialist sports coaches to work alongside class teachers

Funding used: £8315

- subsidise or pay for entry fees, travel, costumes and kit

Funding used: £260

- purchase of sports equipment and storage facilities (in addition to regular, curriculum-based purchases) to enhance breadth and depth of participation and engagement

Funding used: £400

By using our Sports Premium funding in this way we have:

- Ensured sports coaches have supported our teaching staff in enriching our PE curriculum
- Ensured sports coaches have been involved in organising competition entries for Gymnastics, Sports Acrobatics, Dance, Sports Hall Athletics and football tournaments, making sure that the children are fully prepared to compete to the best of their ability
- Ran an 'Active Kids' session weekly
- Ensured that sports coaches have been able to support and lead active play at lunch and playtimes

- Ensured the engagement of all our pupils in regular week-time and daily physical activity, thus kick-starting healthy lives
- Won the Sportshall Athletics competition for our region and competed at county final level
- Continued to raise the profile of sport and PE across the school and the parent body
- Increased the skills, knowledge and confidence of all staff in teaching and leading sports and PE - a staff survey shows that staff feel much more confident and skilled in their delivery of the PE curriculum due to working alongside experienced and knowledgeable coaches.
- Continued to offered a broader range of sports and physical activity to all pupils
- Increased participation in and experience of competitive sport, thus maintaining our Silver Sportsmark award
