

Reception Newsletter Friday 6th October 2017

What an exciting week! We have begun our new topic “People Who Help Us.” In this topic we will be learning about all the people in our community who help us including, doctors, fire officers, police officers, vets, our teachers, etc.

In our RWI sessions this week we have learnt the following sounds:

- c- Curl around the caterpillar
- k- Down the kangaroo’s body, curl his tail then leg.
- u- Down under the umbrella, up to the top and down to the puddle.
- b- Down the laces and over the boot.

Please click on the following link which is very useful for showing you how to say the sounds correctly.

Thank you for sending the children into school on Tuesday’s with their joggers on. It is really helping us maximise the amount of time we spent outside for each session. Here is a reminder once more:

Don’t Forget...

- ALL children come to school on Tuesday’s wearing black joggers/leggings, a white polo shirt, their school cardigan/jumper and school shoes. They can stay dressed in these clothes all day and do not need to change into other uniform.
- Miss Davenport’s registration group will then need their waterproofs on top of these clothes. Please ensure that they have their coat on too so that they can put it on their peg. **Please do not put coats in their school bag.**
- Mrs Sproston’s registration group need their waterproofs in a separate named bag. Please do not put this in their school bag, as it needs to go on the table ready to get changed into.

The children thoroughly enjoyed singing at church on Thursday for Harvest Festival service. It was lovely to see so many of you there. Once again **thank you** to those of you who were able to send in produce for Christian Food Aid.

Please remember that it is school policy that children with long hair wear it tied up. We do try very hard to prevent incidences of head lice in school and this is one way to stop them spreading so easily.

Our baseline parent meetings are **next Wednesday 11th October**. All appointment times were sent home last week in the school bag. This will be our chance to talk with you about how your child/children have settled into school and discuss their starting points within their Reception year with reference to the Early Years Assessment framework. We are very much looking forward to meeting with you.

Our next parent open session will take place on **Friday 20th October at 2:30pm**. We look forward to seeing you then.

Finally, (promise!), please ensure that the permission booklets that you have been sent home to complete are returned to school asap - certainly by the time we meet you at next week’s Baseline meeting. Please do not make us have to chase you for them! Thank you.

Enjoy your weekend.

Mrs Sproston, Miss Davenport, Mrs Anthony, Mrs Bailey and Mrs Andrews.
