

# Reception Newsletter Friday 18th May 2018

- This week we have started our final topic of this half term all about mini-beasts. This week five caterpillars have arrived at school and the children have been observing them as they slowly grow. We have been learning about the lifecycle of a butterfly and are so excited to watch our caterpillars change and grow. We have also been hunting for mini-beasts around our outdoor area.

- The children looked wonderful in their red, white and blue outfits today. We have completed some fun activities this week to celebrate the forthcoming wedding of Prince Harry and Meghan Markle. We made red, white and blue crowns and designed some special plates for the PSFA competition. Well done to the winners Laila and Amber.

- Don't forget learning logs are due to be handed in this coming Monday 21st May. Please do continue recording your child's learning at home in their yellow reading/homework diary. Remember 5 reads/homework each weeks means a sticker for their sticker card!

- We have been so lucky again with the weather this week! Now that we are in the summer months please ensure that your child has a named hat and water bottle in school at **ALL** times. Sometimes the weather isn't so good in the mornings but can warm up later in the day. Remember that water bottles should only contain water and not juice. We also ask if you could apply sun cream before school to ensure your children are protected from the sun. Thank you for your support in this matter.

- Our next parent open session will be next Friday 25th May. Although there is a celebration assembly in school for KS2 certificates, Reception class will have their open session as planned and the usual rules apply about arriving on time and handing in your mobile phones. We look to seeing you and sharing with you our recent work since you last came in.

**THANK YOU for your continued support.  
Enjoy the weekend!**

**Mrs Sproston, Miss Davenport, Mrs Bailey, Mrs Anthony,  
Mrs Andrews and Mrs Thomas.**
