"Must do"

Practice using formal written method addition and subtraction calculations, including exchanging.

AND

I would like to see further evidence of you using the TT Rockstars website and your average speed continually improving. As your Rockstar status changes, e.g. from Wannabe to Breakthrough Artist, record this (in your LL or homework diary) and let me know - you will receive a sticker for your house card each time that this happens.

Design and make:

Draw/paint or create a model of a Viking house

OR

Draw/paint or create a model of a Viking longship

PurpleMash:

Complete one or both of the following 2do tasks:

Vikings - comparing diets

AND/OR

Be imaginative!

Create your own task and see where your learning takes you.

Every week you must also:

- Read your reading book and words regularly
- Practise the spellings given to you by your teacher
- Practise multiplication tables on TT Rockstars
- Talk to your Mum, Dad or Carer about your homework

Parent/Carer comment: Did your child find the work easy/hard? Did they complete it independently or with support? (It is OK if you gave input too!) Did they enjoy the task?
