

RISK ASSESSMENT FOR BEFORE AND AFTER SCHOOL WRAPAROUND PROVISION

Location / Site	Gnosall St Lawrence C.E. Primary Academy and Pre-school
Activity / Procedure	Wrap around provision - SEPTEMBER 2020
Assessment date	07.08.2020 - to be updated regularly in line with guidance released

Identify people at risk	YES or NO
Employees	YES
Children	YES
Visitors	YES
Contractors	YES

Identify hazard	Child becomes ill whilst in the provision resulting in direct transmission of the virus			
Existing level of risk	HIGH	MEDIUM	LOW	NEGLIGIBLE
Control measures	<ol style="list-style-type: none"> When a child becomes ill with a high temperature and/or new, persistent cough and/or loss/change to sense of smell and taste, they will be immediately isolated in the Sanctuary. Parents/Carers will be immediately contacted to collect the child and any siblings. Parents/Carers will be directed to the advice contained in 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection'. Recommend that the child has a coronavirus test. If the child needs to use the bathroom whilst waiting to be collected, they will use the downstairs disabled toilet. A 'do not use' sign will then be placed on the door until thorough cleaning has taken place. A member of staff will supervise the child from outside the Sanctuary. Should the child need to receive care of any kind whilst waiting, the member of staff will wear PPE. If a child tests positive for coronavirus, the school will contact the local PHE team. (PHE West Midlands North Health Protection Team, Stonefield House, St Georges Hospital Corporation Street, Stafford, ST16 3SR, 0344 225 3560). 			
Remaining level of risk	HIGH	MEDIUM	LOW	NEGLIGIBLE

Identify hazard	Lack of social distancing in the rooms used for wraparound provision resulting in direct transmission of the virus			
Existing level of risk	HIGH	MEDIUM	LOW	NEGLIGIBLE
Control measures	<ol style="list-style-type: none"> Number of children accepted into provision reduced from 45 to 30. Use of social bubbles where possible. Where this is not possible, social distancing in place. School rules adapted to discourage children from touching one another or one another's belongings. If children consistently break rules re distancing, parents will be contacted. Regular cleaning of shared spaces and resources, e.g. tables after snack, toys, games. 			

Remaining level of risk	HIGH	MEDIUM	LOW	NEGLIGIBLE
-------------------------	------	---------------	-----	------------

<u>Identify hazard</u>	Lack of social distancing using toilets and poor hygiene resulting in direct and indirect transmission of the virus			
Existing level of risk	HIGH	MEDIUM	LOW	NEGLIGIBLE
