

My child is ill, can they attend school?

Yes, if they have a:

- ✓ slight cold
- ✓ runny nose
- ✓ slightly sore throat

No, if they have a:

- × a high temperature
- × a new, continuous cough (this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours)
- × a loss or change to their sense of smell or taste (this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal)

If you have any of the main symptoms of coronavirus:

1. Get a test to check if you have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get your test result
- only leave your home to have a test.

Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.

Please refer to the Government and NHS websites for further guidance.

If you are unsure what to do regarding your child's attendance when ill, please contact the school office via phone (01785 822391).

All information has been taken from the NHS and government websites.
