

"My Learning Journey Diary" for

Week beginning: Wednesday 28th April 2021

This week we will be looking at growing food.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Read the story of *Oliver's Vegetables* by Vivian French
- Sing the songs 'In my little garden' and '10 little peas'
- Have a walk around your local area, can you spot any food growing?
- Draw a picture of your favourite fruit or vegetable?
- Can you divide an apple into halves/quarters and count your portions.
- Can you find out what the difference is between a fruit and a vegetable?
- Peel an orange and count the segments.

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
