

"My Learning Journey Diary" for

Week beginning: Wednesday 21st April 2021

This week we will be looking at growth in humans.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Re-visit the story of Rosie's Hat by Julia Donaldson
- Sing the song 'Here we go round the mulberry bush' with you child and talk about the importance of the healthy routines mentioned within the song
- Can you measure your family members, who is the tallest?
- Look at family photographs with your child so that they can see how much they (and you) have grown and changed over time.
- Find your family members' ages on a 100 square, who has had the most birthdays?

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
