

**"My Learning Journey Diary"** for .....

**Week beginning:** Wednesday 12th May 2021

This week we will be looking at the important role of minibeasts in helping plants to grow.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Read the story of *The Very Hungry Caterpillar* by Eric Carle
- Sing the song 'Here is the beehive'
- Go on a mini-beast hunt in your garden, what creatures can you find?
- Bees have a very important role in helping plants to grow, can you use books or the internet to find out what this is?
- Can you find out how many legs different minibeasts have? E.g. ants, spiders, ladybirds.

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

*Have fun with your learning this week!*
