

Art and D&T:

Studying Pop Art and incorporating the style of Roy Lichtenstein (using benday dots) and create a volcano painting.
Sketching still-life with charcoal (focus on drawing shadows)
D&T – Chinese inventions

Literacy:

Tailor-made English journeys covering reading and writing objectives.

Maths:

In line with White Rose scheme.

Science: Light: how we see and parts of the eye. Discussing shadows, reflection, refraction and how colour is seen.

Electricity: Using practical resources to make circuits and using relevant symbols to record them. Completing investigations to test theories about voltage and different electronic components.

PE:

Net and Wall & Invasion Games

French:

Holidays and hobbies – learning key vocabulary related to holidays, weather and seasons, sports and hobbies.

Geography: Extreme Earth; Earth Zones

Understand tectonic plates and the formation of volcanoes. Identify different types of volcanoes and where they are located around the world. Study natural disasters including earthquakes and tsunamis. Identify and locate countries and cities around the world that have suffered natural disasters. Look at how humans have been affected by natural disasters now and in the past and what can be done to protect against them. What are the imaginary lines that split the Earth into zones? Explore the Earth's different climate zones and how this is influenced by their position in relation to the equator. Learn about the biome that we live in. Find out about climate change and what people can do to save our Earth. Study the climate and biome of different locations to persuade someone as to why they should visit there.

Angry Earth Year 5/6

RE:

Beliefs and practices – what is the best way for a Christian to show commitment to God?
Easter – is Christianity still a strong religion 2000 years after Jesus was on Earth?

PSHE:

Be Yourself

Growing up. Discussing emotional and physical changes that happen during puberty. To include relevant sex and relationship talks.

Music:

Fresh Prince of Bel Air
Inspirational females in music.
Listening to songwriters and artists and composing own music using instruments.

Computing:

Creating media – video editing
Data and information - spreadsheets
