

Reception Newsletter

Friday 10th March 2023

Our Learning:

- This week we have continued our topic—Dinosaurs. On Tuesday we received a video of a visitor in our outdoor area, the children were amazed! We went outside to investigate to see if there were any clues left and we tried to predict where we thought the dinosaur had gone to next.
- We have enjoyed making our own dinosaur egg pictures, we have then used our super phonics skills to help label them. We have looked at non-fiction books to find out facts about dinosaurs and we have done different dinosaur dance moves in PE.
- We have also welcomed 5 little caterpillars to Reception this week; the children have thought of some great names for them.
- This week in Maths, we have started to look at the composition of 9 and 10.

- From Monday 13th March we will be learning about pets: from 13th—17th March, we are looking forward to meeting some of your pets next week. You should have received a Parent Pay message regarding allergies, if you have any concerns please speak to a member of staff on the gate!
- **If you have a pet and are unable to bring it in, could you please send a photograph (either printed or via email) so your child can show it to their friends.**

Reception wish list:

- Evergreen plants and herbs for our outdoor area.
- Any shape/size baskets, or wooden crates
- Cable drum reels

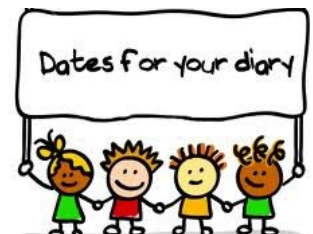

Dates:

Friday 24th March—Reception Open Session in the Hall.

Wb Monday 27th March—Parent's Evening (more information to follow)

Friday 31st March—YR Class Assembly and cake sale (cakes to be prepared by YR parents and carers).

Miss Crooks, Mrs Higgins,

Mrs Whittick, Mrs Bailey and Mrs Anthony
