Week ending: 20/01/2023
Issue No: 593

Dear Parents/Carers,

Our UN Global Goal for this term is 'Good Health and Wellbeing'.

This week's challenge from the Y6 School Ambassadors is linked to our mental well-being, specifically focusing on our self-esteem and self-confidence.

Each child will select the name of another child in their class on Monday and will try to carry out a 'random act of kindness' for that child each day next week. This could be a simple act, such as giving them a compliment or asking how their day was.

A huge 'well done' to Year 3 for their fantastic class assembly, giving us a review of the last year, and telling us some of their hopes and aspirations for 2023. They looked and sounded wonderful and should be very proud of themselves.

Have a lovely weekend!
Miss K Sweet
Headteacher

Father God

We are sorry for anything that we have said or done that may have hurt others.

Give us **hope** for the future by washing away what is past.

Fill us with your power to live in a way that is pleasing to you and loving towards others.

Amen

3 GOOD HEALTH AND WELL-BEING

Random Acts of Kindness

This week for the mental health task you are going to pick a name out of a hat and do something kind for them everyday of the week.

It doesn't have to be something big just a little act of kindness.
