

“My Learning Journey Diary” for

Week beginning: 17th April 2023

This week we will be learning about growing flowers, plants and trees

To help your child with their learning, here are a few suggested activities you may like to do at home.

- **Read the story of Camille and the sunflowers by Laurence Anholt**
- **Sing the song ‘Mary, Mary, quite contrary’**
- **Go for a walk, how many different species of tree can you identify? Give your favourite tree a hug**
- **Take a visit to a garden centre**
- **Design your very own model garden using different re-cycled materials**

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
