

"My Learning Journey Diary" for

Week beginning: 12th May 2025

This week we will be learning about growing food and the important role of minibeasts

To help your child with their learning, here are a few suggested activities you may like to do at home.

- **Read the story Oliver's 'vegetables by Vivian French**
- **Sing the songs 'In my little garden' and '10 little peas'**
- **Have a walk around your local area, can you spot any food growing?**
- **Draw a picture of your favourite food. Can you find out which country it originates from?**
- **Can you divide an apple into halves and then quarters?**
- **Go on a minibeast hunt in your garden, what creatures can you find?**
- **Bees have a very important role in helping plants to grow, can you use books or the internet to find out what this is?**

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
