“My Learning Journey Diary” for

Week beginning: Monday 7th October 2024

This week we will be learning about homes

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Discuss with your child which type of home they live in
- Go for a walk in your local area, look at the different types of homes that you can see. Help your child to complete the attached tally chart
- Read the story of 'The Three Little Pigs', ask your child which building material they think is the strongest and why
- Help your child to build a mini home with construction materials, discussing the different features of a house. E.g. door, window, roof etc.
- Research homes around the world

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
