What parents and carers need to know about Roblox...

### **CONTACT WITH STRANGERS**

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefers and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others – such as general hostility – while predators can reach out to children directly.

### **PUBLIC SERVERS**

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

Please can all Key Stage 2 children bring a spare pair of shoes on a PE day in case they get muddy on the field.

### **Cold Lunch Options**

Cold options are available everyday, a choice of jacket potato, ham, cheese or tuna sandwiches or a cheese and bean wrap. If you would like your child to have a cold option please email the school office before 9am.

### **Prospective Parents Evening**

Is your child or a child you know turning 4 between 1st September 2022 and 31st August 2023?

We would love them to join our Reception class in September 2023!

To give prospective parents more information about our wonderful school, we are holding an open evening on Wednesday 9th November at 6pm in the school hall.

Please tell everyone you know and we'd love to see you there!
