

Dear Parents/Carers,

Our UN Global Goal for this term is 'Good Health and Wellbeing'. This week's challenge from the Y6 School Ambassadors is linked to our mental health in line with Children's Mental Health Week next week.

The theme this year is 'Let's Connect'. Annaliese and Addison have developed this week's challenge... see the Class Dojo School Story and our School Facebook page for more information.

Let's Connect is about making meaningful connections. Human beings thrive in our communities, and this connection is vital for our wellbeing. When we have healthy connections - to family, friends and others - this can support our mental health and our sense of wellbeing. And when our need for rewarding social connections is not met, we can sometimes feel isolated and lonely - which can have a negative impact on our mental health. As parents and carers, you play an important role in your child's mental health. Check out the **official free resources** for families at: www.childrensmentalhealthweek.org.uk

As always, we'd love you to tell us what you get up to so that we can share it and inspire others!

Have a lovely weekend!

Miss K Sweet
Headteacher

Lord Jesus,

We thank you for the saints down the ages, starting with the twelve disciples, who left everything to follow you and serve others.

Give us your wisdom and insight to know how we too can make a difference, and change the world for good.

AMEN
