

# Reception Newsletter

## Friday 15th July 2022

### Our learning this week:

- This week we have enjoyed continuing with our topic learning all about sea creatures. We have enjoyed creating and colouring in our own pictures of a variety of sea creatures and have had lots of outdoor water play to keep us cool in the hot weather!
- The children also enjoyed their transition morning with their new teachers and class mates on Thursday morning. They enjoyed telling us the fun things they got up to and are very excited to begin their Year 1 journey!

### Messages:

- All children should have now received a letter informing them of their class teacher for next year. If you have not received this letter please let us know as soon as possible.
- If any parents have any sunhats they are no longer using we would greatly appreciate them as a donation to school.
- Next Tuesday afternoon (19th) we would like to have a class party with all of Reception to celebrate the end of such a wonderful first year at school. Children are very welcome to wear their own clothes and bring one item of snack food to enjoy as a treat for example a packet of crisps/ biscuits. Please be mindful of the hot weather and ensure your child is suitably dressed and their chosen snack is something that will not spoil in the heat.

Thank you for your continued support. We hope you have a lovely weekend!

Mrs Philipson, Mrs Higgins, Mrs Bailey and Mrs Anthony
