

My Learning Journey Diary" for

Week beginning: Monday 18th November 2024

This week we will be learning about Birthdays.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Do you have any photographs of family birthday celebrations? Discuss with your child these special occasions.
- Who has had the most birthdays in your family? Who has had the least?
- Find out how many candles you will have on your next birthday cake.
- Create an invitation to a party, who will you invite?
- Hold a birthday party for your favourite teddy or doll.

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
