

"My Learning Journey Diary" for

Week beginning: 12th March 2023

This week we will be investigating the shape of a square.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Go on a square hunt, how many can you find?
- Draw squares on the ground with chalk and play hopscotch.
- Make ice cubes and use these to make an igloo.
- Make and decorate some square shaped biscuits.
- Listen to the Cbeebies square song <https://www.bbc.co.uk/cbeebies/watch/sing-the-square-song-with-evilie>

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
