

"My Learning Journey Diary" for

Week beginning: 19th March 2023

This week we will be exploring the shape of a rectangle.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Write a letter to a friend or family member and put it in a rectangular envelope
- Go for a walk in your local area, identify as many different rectangular doors as you can. When you get home design and decorate your own door picture
- Create a model out of rectangular boxes
- Play 'Kim's game' with rectangular shaped objects
- Look at the construction of a brick wall, create your own using Duplo or Lego

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
