

For the second half of the spring term we will be investigating shape by being...

Shape Explorers!

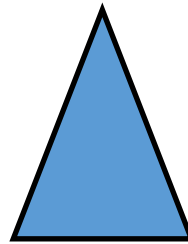

We aim to stimulate the children's enthusiasm for investigating their immediate environment and in so doing, develop and encourage their awareness of patterns and structures.

Week commencing:

28/02/23 - Circle

05/03/23 - Triangle

12/03/23 - Square

19/03/23 - Rectangle

26/03/23 - Oval
