

## "My Learning Journey Diary" for .....

**Week beginning:** 26<sup>th</sup> March 2023

This week we will be exploring the shape of an oval.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- Go on an Easter Egg hunt
- Help your child to create a healthy meal using eggs. E.g. omelette, boil an egg
- Search the internet to investigate different species of bird eggs

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

*Have fun with your learning this week!*
