

“My Learning Journey Diary” for

Week beginning: Monday 17th November 2025

This week we will be learning about Birthdays.

To help your child with their learning, here are a few suggested activities you may like to do at home:

- **Do you have any photographs of family birthday celebrations? Discuss with your child these special occasions**
- **Who has had the most birthdays in your family? Who has had the least?**
- **Find out how many candles you will have on your next birthday cake**
- **Create an invitation to a party, who will you invite?**
- **Hold a birthday party for your favourite teddy or doll**
- **Explore how birthdays are celebrated in different cultures**

This space has been left blank for you to add your observations, pictures, photographs, etc. from home. Please use additional paper if needed.

Have fun with your learning this week!
